Dear Sir,

"PATHFINDER" (J.S. White's Yard No.1975)

I have to acquaint you that this ship has been surveyed by the Southampton Surveyors during construction for the assignment of Convention freeboards and is proceeding to Nigeria on a Load Line certificate issued by the Ministry of Transport.

The builders have been informed that as the ship is to be classed for limited service, the classification certificate will not be issued until she has been examined and found satisfactory on arrival in Nigeria, and in the circumstances I send service Load Line certificates for issue when the freeboards have been amended and verified, the necessary examination carried out and the official number inserted.

Yours faithfully, © 2021

G.M. Kersey, Esq.,
