LLOYD'S REGISTER OF SHIPPING,

NEW YORK 4, N.Y.

September 26, 1949

Dear Sir : Re: S.S. "KUWAIT"
 Sun Hull No. 567
 Phl. Rpt. No. 9270

With reference to your remarks regarding the horizontal stiffeners of the transverse bulkheads contained in your letter of the 19th of July, I wish to inform you that the matter was referred to the Philadelphia Surveyors who have replied as follows :

'I duly received your letter of the 19th ulto., in which you quote from a classing letter of the 12th idem on the above report. In reply, I wish to advise that the horizontal stiffeners of the transverse bulkheads are as shown on the approved plans, and as reported'.

Yours faithfully,

(Sgd.) W. Bennett

Principal Survey, U.S.A.

The Secretary,
LONDON.
