19th April, 1929.

Messrs. Workman, Clark (1928) Ltd.,  
BELFAST.

Dear Sirs,

Having submitted for consideration the question of the fitting of storm valves to the scuppers from the tweendeck spaces in Yard Nos.506-7-8-9, building by your goodselves we are directed to inform you that storm valves to the scuppers from the tonnage exempted tween deck spaces may be dispensed with as desired, provided the scuppers be closed by non-detachable screw down plugs, and be fitted in positions which are accessible at all times, or arranged so that they can be operated from the superstructure deck.

We are, Dear Sirs,

Yours faithfully,

The Surveyors.
