6th October, 1928.

Dear Sirs,

I beg to acknowledge the receipt of your letter of the 6th instant respecting the screw steamer yard No. 506 proposed to be built by your good selves, and in reply thereto I have to state that your proposal to increase the depth of this vessel by 1", without increasing the scantlings, will be approved, it being assumed that the depth to the 2nd deck is also increased 1".

The equipment also will not be affected by this change.

I am, Dear Sirs,

Yours faithfully,

Secretary.
