The case of the above named ship has now received reconsideration by the Committee in the light of the Owners' letter of 29th November, forwarded by you to this office on the same day.

In view of the Owners' request the Committee have cancelled their decision to withdraw class, which consequently is maintained for the present.

When informing the Owners of this decision you should point out to them that the class is continued on the understanding that the overdue surveys receive attention before the vessel undertakes another voyage.

Yours faithfully,
