30th July, 1936.

Dear Sir,

S. With reference to Glasgow report No.57275 of survey held on the new steamer "PYROPE", I shall be glad if you will be good enough to enquire and let me know the particulars of safety valves, distances from woodwork etc., as these particulars have been omitted from the report.

I would also point out that the nominal horsepower is 110, and perhaps you will be good enough to render an amended account on this revised figure.

I am, Dear Sir,

Yours faithfully,

The Secretary,  
GLASGOW.

pro Secretary.
