ference

MEMORANDUM.

R.F.A. "ENNERDALE" - NEWCASTLE REPORT NO. 99657

This vessel has been fitted for the Special Service of carrying M.L. Craft on rails fitted on the upper deck and gantry cranes have also been fitted for loading and unloading these craft. Alterations were necessary from the original design and these are embodied on the approved plans forwarded with this report. There are no plans available of the gantries and cranes - these being constructed and fitted to Admiralty plans and requirements.
