RECEIVED 6th March, 1962.

Dear Sir,

12 MAR 1962

Ans'd Steamer "HABANA"

The contents of your letter of 30th January, 1962 have been carefully noted.

The position regarding this ship is as follows:-

- 1) Madrid Office were informed by Messrs. Trasatlántica that breaking up had commenced by the removal of certain items. However this was suspended by Trasatlántica when they received an offer of purchase from Messrs. Pescanova S.A.
- 2) After much discussion the ship was eventually sold to Pescanova S.A. who immediately instigated enquiries from various yards for the conversion of the ship to a refrigerated storage/or factory ship for fish.
- 3) This contract has now been placed with Messrs. Astilleros y Talleres del Noroeste, Ferrol and work has commenced.
- 4) The new Owners Messrs. Pescanova have intimated to Mr. Akerman at Vigo and to the shipyard that the ship will be classed with Bureau Veritas and the B.V. Surveyor has already started his survey work.

The contents of paragraph 4 have now been confirmed by Messrs. Pescanova S.A., a free translation of their letter is attached herewith.

In these circumstances we are returning under separate cover, all reports and plans forwarded to us with your letter of 7th September, 1961.

The Secretary,
LONDON.

Yours faithfully,

Alex M. Hopkins
For the Surveyors.
