Dear Sir,

S.S. "HABANA"
No. 13371 in Register Book

We have to-day been informed that the above ship has probably been sold to a Vigo Fishing Company and likely to come under Survey shortly.

We understand the ship will be converted to a Fish Factory with complete refrigeration. Messrs. Astano S.A. of Ferrol are to carry out the conversion and request if any constructional plans are available to facilitate the conversion work. At the same time we would appreciate if the last report Valencia, March/April 1960, first entry and/or original thicknesses of shell and decks could be forwarded to this office.

We should also be pleased to know if any of the items previously examined are still acceptable towards the Survey of Hull and Machinery.

Yours faithfully,

Alex M Hopkins

For the Surveyors.

The Secretary,
LONDON
