Dear Sir,

Steamer "HABANA"

I am obliged to you for your cablegram, which was received here on the 7th instant, and have today informed the Committee of the position.

In the circumstances the Committee feel they can do no other than agree to the present proposal, but they desire the Owners to be informed that the long overdue Boiler Survey must be completed, without fail, when the vessel reaches the Mediterranean, as otherwise the Committee will have no option but to deal with the ship's class.

Yours faithfully,

Clerk to the
Classification Committee.

G. Dixon, Esq.,
MADRID.
