C.F.R.

Dear Sirs,

I am in receipt of Mr. Engledow's letter of the 15th instant, in regard to the case of the T.S.S. "ALFONSO XIII", and in reply I am directed to say that in the special circumstances which Mr. Engledow describes, his suggestion that he should proceed with the vessel to Ferrol and see her completed is approved, subject to the work of the Bilbao district permitting this course to be followed.

The Society's Surveyors at Cadiz are being informed accordingly.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,
BILBAO.
