rd's Register of Shipping

NEW YORK

Sir:

"MAYHAVEN"

In reply to yours of June 29th, 1954 please be advised the above vessel is now trading on the coast and has had no machinery trouble ever since she sailed from the Drydock in May of this year.

Enclosed please find Rpt.s 8 and 9 with Certificates for which I am billing the Owner now.

This survey has been so uncertain and indefinite that I held Certificates as long as I possibly could and it is questionable whether we will be able to collect the amount due.

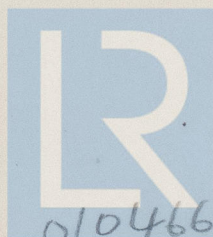

I have had no cooperation from the Owner and in my opinion I do not believe he will continue the survey.

The Loadline Certificate was renewed June 26th, 1953 and to my knowledge it has not been endorsed.

Enclosed please find Rtn.1 and prints No.103-1 and 103-2.

Yours very truly,

W.H. Stewart
