Dear Sirs,

47684

P.O. Box 288

Lot 18,

WATER STREET,  
GEORGETOWN,  
BRITISH GUIANA,

18th January, 1961.

**RECEIVED**

25 JAN 1961

AND

"MAKOURIA".

We have before us your letter of the 2nd ult., wherein you requested us to ascertain from the owners of the above vessel their intentions regarding carrying out the Annual Load Line Survey which expired on the 30th December 1960.

On taking this matter up with them we have today been advised that they are unable to maintain Lloyd's arrangements in respect of the vessel and in view of this the Annual Load Line Survey is not required. They however point out that all their vessels are built to Lloyd's standards and at some future date it may be possible for them to come into line with the procedure, which is required, but they regret very much that they are unable to do so at the present time.

Will you please be good enough to mark your records accordingly.

Yours faithfully,  
BOOKERS SHIPPING (DEMERARA) LTD.  
LLOYD'S AGENCY DEPARTMENT.

ATTORNEY.
