Dear Sirs,

"MAKOURIA"

Fbd.
CFA.

I duly received your letter of the 16th instant with enclosed documents relating to the survey carried out on this ship on the Society's behalf by your Mr. G. Smart-Dalgleish.

Although the above survey has been reported on form C11(a) (annual Loadline Survey), it is concluded the Surveyor satisfied himself with the condition of the ship's structure and I should, therefore, be glad if you will kindly arrange for him to complete the attached form Rpt.8 in order that this may be submitted to the Committee with a view to the assignment of class.

x The Loadline Certificates returned to this Office should in fact have been issued to the ship on completion of the above survey in accordance with my letter of the 6th October. In any event, as this is a new ship, these Certificates should not have been endorsed by Mr. Dalgleish and a new set of Certificates is accordingly enclosed herewith for placing on board as soon as possible.

I also take this opportunity to return your account and shall be glad if you will arrange to submit this to the Owners, who are responsible for payment of all fees.

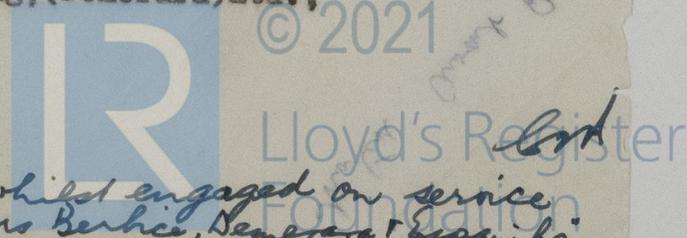

Yours faithfully,

pro Secretary.
