I shall be glad if you will ascertain from the Owners and let me know what arrangements they propose making to carry out the screwshaft survey, due at the end of May.

Dear Sir,

According to the Owners' letter in reply to your Memorandum of May the 25th 56, I beg you to be informed of the Owners proposed arrangements.

The Owners would like to stop their trawler during the 2nd fortnight of June for repairs and screwshaft survey. So, they would be much obliged if you could extend the trawler Certificate validity still during three weeks about.

Waiting your decision,

I remain, dear Sir,
Yours faithfully.

Casp
