10th November, 1959

Dear Sir,

Steamer "APURE"

With reference to my letter of the 3rd November addressed to Edward Bent S.A., I now enclose a copy of a letter which has been received from Maritima Sucre, C.A.. Provided a satisfactory General Examination of the hull and machinery, in accordance with Circular 1959, be held at an early date the Committee will be prepared to consider a proposal to postpone the Special Survey until not later than the expiration of the year of grace in August, 1960. It is noted that the considerably overdue Main Boiler Survey will be held when the ship is drydocked for General Examination.

If the present Owners of the ship have no objection to this information being passed to the prospective purchasers, I shall be glad if you will inform Maritima Sucre, C.A. accordingly.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

Ing. J. J. Schoo,  
CARACAS.
