QUESTION

ANSWER

I shall be glad if you will ascertain and let me know what arrangements are proposed in regard to the Special Survey due at the end of December next.

I may add that according to the records in this Office the ship was last seen in drydock by the Society's Surveyors in February, 1958.

Date:— December 22, 1959

We understand the vessel is awaiting drydocking in Nova Scotia at this time and that arrangements are being made to carry out the Special Survey.

Montreal and Halifax surveyors have been informed.
