21st September, 1925.

Dear Mr. Mayne,

Mr. Ferguson, the Superintendent for Messrs. J. & P. Hutchison Ltd. who, as you know, is a very good friend of ours, has been speaking to me about the case of the Steamer "CHLORIS", No. 16528 in the Register Book.

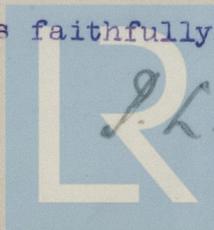

This vessel, as you will observe, was built in 1921 in Germany but was put through an extensive survey at Birkenhead in July 1923 when she was classed. As you know, times are very difficult just now and I shall be glad to know if the survey which was held in 1923 was of sufficient extent to be recorded as a S.S. No.3, in which case the Special Survey No. 1 would become due in 1927.

I shall be much obliged if you will kindly look into this matter and see if anything can be done in the direction indicated.

Yours faithfully,

F. A. Mayne, Esq.,
