CARDIFF.

Dear Mr. Stocks,

Referring to our meeting yesterday and our conversation concerning the Classification of our "Portway" and the new ship which is being built at Messrs Chas. Hill & Sons. I have given careful consideration to all the points which you raised, but have to inform you that I have decided to adhere to the decision to take the "Portway" out of class, also the new vessel will not be built to Lloyd's Classification.

With regard to our other craft we will consider the position concerning them when the times of their special surveys arrive.

Yours faithfully,

for THE HOLMS SAND & GRAVEL CO. LTD.
