Dear Sirs,

M.S. "WEYBANK"

A letter has been received from Messrs. Andrew Weir & Co. Ltd., intimating that this vessel has been sold to new Owners and was delivered at Hong Kong on the 30th October.

The survey position is as per Supplement to the Register Book, and the conditions of class are as noted in the S.R.L.

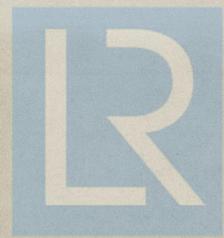

The Committee have agreed to the Special Survey being deferred until the end of December and, as it is concluded that the new Owners desire to maintain classification with this Society, I shall be glad/if you are in a position to state their intentions regarding the Special and Auxiliary Boiler Surveys.

/to learn

Yours faithfully,

Clerk to the  
Classification Committee

The Surveyors,  
HONG KONG
