Dear Sirs,

K/AB

Motorship "SCHWARZHEIDE"

With reference to your Report No.36051 I have to inform you that as a result of a survey held at Kiel on the 20th September the ship's class was made subject to permanent repairs to sheerstrake plate in way of No.4 cargo tank (starboard side) also to guard rails (starboard side) being carried out at Rostock and being verified on the ship's return to Kiel.

It is noted that some repairs were carried out at your port, but before this report receives the consideration of the Committee, I shall be glad to learn if the guard rails were also dealt with at this time.

Yours faithfully,

c.c. Classing Letter  
File.

Deputy Clerk to the  
Classification Committee.

The Surveyors,  
ANTWERP.
