Your Ref: JJP/BP.

Dear Sirs,

S.S. "SANROCCO"

I shall be glad to learn what early arrangements are proposed to be made for the Boiler Survey, due at the end of June last, to be completed by the adjustment of the safety valves of all boilers and the examination of the oil burning system and remote controls. When these matters have received attention the vessel will be eligible for the record MBS 4.61.

I would refer to my letter of the 19th September, and shall be glad to learn in due course your intentions regarding the Special Survey.

Yours faithfully,

Clerk to the  
Classification Committee.
