Re: "KENWA MARU" 6273 G/T Built in June 1955
Class withdraw from your Society

We wish to express our deep appreciation to your Society since the above vessel was built and up to now. However we regret to inform you that due to our firm's financial convenience, we decided to withdraw foreign classification from Trampers.

The vessel will be drydocked in near future, and we take this opportunity to withdraw her class from your Society.

Please understand our circumstance and your favourable consideration will be highly appreciated.

Yours faithfully,

(Sgd. F. KOBAYASHI)
