Dear Sirs,

Motorship "WAZIRISTAN"

I enclose herewith some correspondence which has ensued following the receipt of a letter from Messrs. Common Brothers Limited, commenting upon the fact that apparently the Society's Surveyor at Galveston had not attended the ship at Houston, Texas, although he had been requested to do so by the Master.

You will see from Mr. Rennie's statement that no request for survey ever reached him, and I shall be glad if you will take suitable opportunity to explain the position to the Owners, as it seems obvious that this is another case in which word of mouth requests have failed to reach their destination.

Please return the correspondence in due course.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
NEWCASTLE-ON-TYNE.
