Dear Sir,

Steamer "ELNA II"

With reference to my letter of the 31st August last, the report of the survey which was carried out at Baltimore in July/August has to-day received the consideration of the Committee.

In view of the fact that the Owners relinquished the Society's class without the defects reported by the Surveyor at Baltimore receiving attention under the supervision of the Society's Surveyors, instructions have been given for the class of the ship to be expunged from the Register Book with a Black Line, indicating reported defects.

I shall be glad if you will inform the Agents accordingly.

Yours faithfully,

Deputy Clerk to the
Classification Committee.

The Secretary,
NEW YORK.
