Lloyd's Register of Shipping

UNITED WITH THE BRITISH CORPORATION REGISTER

Port Baltimore, Maryland

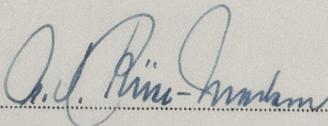

26th August 1954

This is to Certify that I have

Port Surveyed the Boiler and Machinery of the S.S. "ELNA II" 3188 tons
gross of Monrovia, whilst in drydock and afloat at the plant of Maryland
Drydock Co. Baltimore, Maryland

that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report stating that all
recommendations made by me in connection therewith have
carried out to my satisfaction, and that I have
recommended that the record of Boiler Survey 8.54

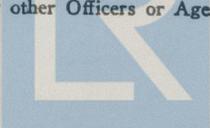

made in the Register Book in the case of this vessel, when
the Starboard boiler has been examined and safety valves of both boilers
tested under steam.

Engineer Surveyor to Lloyd's Register.

This certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
The Committees of the Society use their best endeavours to ensure that the functions of the Society are properly
performed and it shall be understood that neither the Society nor any Member of any of its Committees is under any circumstances
to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in
any Register Book or other publication of the Society, or for any error of judgment, default or negligence of
any Committee or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
