The Secretary,

London, E.C.3.

Dear Sirs,

*C. cum - cum*  
Barges "Britmex 2, 3 & 4" *Copied*

The above three vessels are due for Special Survey  
at the end of April, June & August 1951 respectively.

In view of the bunkering commitments and great demand  
for these craft in Southampton water during the summer months, the  
owners, Esso Petroleum Co. Ltd., have requested that these repairs  
be deferred to the winter months between October 1951 and March 1952.

Under the special circumstances therefore, we shall be  
glad to know that your Committee are agreeable to this proposal.

Yours truly,  
ESSO TRANSPORTATION COMPANY LIMITED
