ADDRESS Dorland House, 18/20 Regent Street, London, S.W.1.

Vessel's Name: Barges "BRITMEX 2, 3, & 4"

The above three vessels are due for Special Survey at the end of April, June & August 1951 respectively.

In view of the bunkering commitments and great demand for these craft in Southampton water during the summer months, the owners, Esso Petroleum Co. Ltd., have requested that these repairs be deferred to the winter months between October 1951 and March 1952.

Under the special circumstances therefore, we shall be glad to know that your Committee are agreeable to this proposal.
