

62 AUG 1947

THE BRITISH CORPORATION REGISTER OF SHIPPING AND AIRCRAFT

HEAD OFFICE — 14 BLYTHSWOOD SQUARE — GLASGOW

SUNDERLAND.

DECEMBER 31, 1946.

The Undersigned, John Lundgren, Surveyor to this Corporation, did, at the request of Messrs George Clark(1938)Ltd., attend their works at Sunderland on the 9th May 1944 and subsequent dates, to survey during construction two single ended Multitubular Boilers, designated works No. 1361.

The material was tested by the Surveyors to the British Corporation, and the boilers constructed in accordance with the approved plans, the requirements of the Rules and the approved specification.

No mountings were fitted.

The identification marks on the Boilers are as follows:-
