Dear Sirs,

Re: s.s. 'Baltyk'

Further to your letter dated 2nd September, regarding the major boiler repairs to this vessel, we have now received advice from the Owners, Messrs. Polish Ocean Lines, Gdynia, stating the repairs are to be carried out at Gdansk, under the Polish Register and at the same time undergoing her Annual Survey, when she will be transferred.

Would you therefore, please add the usual notation in the Register Book, "Withdrawn at Owners request".

Yours faithfully,

Has a Survey also been held on the Machinery of the Ship ?

If so, is the report sent now, or when will it be sent ?
