Dear Sirs,

Re: s.s. "BALTYK".

We thank you for your letter of the 22nd inst. and we confirm that we have written again to the Owners to ascertain the port and time they propose to arrange the examination of the boilers as requested. We think that the reason why we have not yet received an indication of the port is that the vessel is on her return passage from South America. However when we have a reply from the Owners we will communicate with you again.

Yours faithfully,
