

Enclosures.

23rd August 1954.

YACHT

Dear Sirs,

Steel Twin Screw Motor Vessel  
"AEGILIUM"

Your Reports 8 and 9 No. 37819 A and B of June and May 1954 have been considered by the Committee who have assigned notations as follows in the Yacht Register. The previous record in the Ship Register is to be deleted.

100A1-Docking 4.54 Rot. ) Subject to Annual Examination.  
A.S. 4.54. )  
\*LMC 5.54 Both S 4.54 O.G. without special condition.

As there are no reports of loss or supply of new equipment for this ship it is concluded that the equipment originally supplied remains on board, this being in excess of equipment required for a yacht.

Certificates are forwarded herewith for transmission to the Owners.

Yours faithfully,

Yachting Manager.

The Surveyors,  
ROTTERDAM.
