29th June, 1954.

Dear Sir,

I am in receipt of your letter and enclosure of the 23rd instant respecting the Motorship "CASTLEGATE", the contents of which have been noted, and with regard thereto I have to acquaint you that, provided the existing cylinders are submitted to a further examination at an early date and found satisfactory, the Committee will be agreeable to the renewal of the same being deferred until August when, it is concluded, the Modified Survey of the Oil Engines will receive attention.

I shall be glad if you will inform the Owners accordingly and arrange for the requisite inspection to take place as soon as possible.

Yours faithfully,

The Secretary,  
LIVERPOOL.
