Sir,

M.V."CASTLEGATE".

We thank you for your letter of the 18th May, concerning the  
state of the auxiliary engine cylinders on the above craft. Both  
cylinders are in satisfactory working condition and we shall be  
pleased if your Committee will agree to a three month's extension  
as this will greatly assist with our present commitments.

An early reply will be much appreciated.

Yours truly,
