

DO

10th February, 1950.

Dear Sirs,

Motorship "MARBURY"

S. With reference to the case of this vessel, I have to inform you that enquiry has been made of the Liverpool Office regarding the plans of screwshaft and sterngear. In reply the Surveyors state that they have been advised by Messrs. Crossley Bros. that Drawing No. 3/1858A made by Messrs. Bruntons was submitted through your Office and was approved in your letter of the 13th June, 1947.

As no trace of these plans can be found in this Office I shall be glad to receive your comments.

Yours faithfully,

The Surveyors,
MANCHESTER.
