Dear Sirs,

"CHOPIN"

R  
TAB/RW

I have your letter and enclosure of the 10th September, the contents of which have been noted, and would inform you that no request for postponement of the Special Survey has been received from the Hong Kong Surveyors, and there is no record in this Office of the vessel having been under survey at that Port since November last when considerable repairs were effected.

I would point out, however, that the Special Survey does not become due until the end of August, 1963.

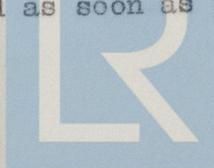

Your further comments are awaited.

Yours faithfully,

Clerk to the  
Classification Committee

The Surveyors,  
GDANSK

P.S. The present position regarding the completion of the Auxiliary Boiler Survey will be appreciated as soon as possible.
