Dear Sirs,

Re:- m.s. " CHOPIN"- Special Survey

During average repair of ms Chopin in Hong Kong our Superintendent considered with Lloyd's Register to postpone the S.S. of a/m vessel for one year. Lloyd's Register's Office in Hong Kong agreed to postpone the Special Survey but till now we have no official confirmation.

Please be so kind to inform us if you have got any news from Your Head Office in London in this matter.

Awaiting your reply, we remain,

Yours faithfully,
