Dear Sirs,

Motorship "CHOPIN"

The First Entry reports on this ship have been received from the Surveyors at Split, and were considered by the Committee at their Meeting today who gave instructions for the class #100A1 "MT - Vegetable Oil" to be assigned, together with the relevant survey notations.

It is understood from the Surveyors that the torsigraph records were taken during sea trials by Messrs. S.A. Fiat S.G.M., and I shall be glad if you will forward these records as soon as possible for examination in this Office.

Yours faithfully,

Deputy Clerk to the
Classification Committee.

The Surveyors,
GENOA.
