# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

Enclosure.

18th October, 1951.

Issn.  
J.A.C.

Dear Sir,

As requested in your letter of the 16th instant I enclose herewith a certificate for the refrigerating machinery of the motorship "CIUDAD DE BARQUISIMETO".

Please forward to this Office the test certificates for the refrigerating fan motors and compressor motors, it being concluded that they are of an approved type to permit the issue of a classification certificate.

Please confirm that there are four brine cooled batteries on the above vessel.

Yours faithfully,

pro Clerk to the  
Classification Committee.

The Secretary,  
GLASGOW.
