Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

4th March, 1921.

Dear Sirs,

With reference to your list of outstanding accounts for last month it would appear that the account for the fee of £15. 0. 0, for the freeboard survey of the S.S. "KURLAND" has been rendered from this Office. This is not the case, however, and in view of the fact that the application form was signed by the Dollar Steamship Line Ltd., the account for the fee in question should be rendered by you to the owners or their agents, Messrs. J. Carmack & Son, and you will therefore be good enough to be guided accordingly.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

LEITH.
