Royal Bank Buildings,  
28, Constitution Street,

Leith, 18th February, 1921.

Sir,

Sir,

T. S. S. "KURLAND."

This vessel has been purchased by Messrs. Dollar Steamship Co., and it is proposed to class her with this Society. The scantlings as indicated on the plans have been examined in the Glasgow Office and it is found that they are such as can be accepted as equivalent to the class of 100 A1. Awning deck with freeboard.

Mr Dollar representing the Owners desires to be informed as soon as possible as to freeboard to be assigned. He is most anxious to obtain the maximum possible draft.

In order that this information might be given to Mr Dollar, a freeboard form has been prepared and is enclosed, herewith along with General arrangement and Section.

The survey is now in hand and the scantlings being verified and subject to these being as shown on the plans I shall be glad if you will inform me as to freeboard that can be assigned.

Secretary,  
LONDON.

I am, Dear Sir,  
Yours faithfully,

James J. J. J.
