# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.

29th March, 1917.

Dear Sirs,

I have to acquaint you that it appears from a First Entry Report received from the Society's Surveyors at Hull that the new Steamer "HELIUM", built by Messrs. Cochrane & Sons, is proceeding to your port where the Engines and Boilers are to be placed on board.

To complete the survey, the Engine and Boiler casings require to be riveted up, and I shall be glad if you will be so good as to give the matter the necessary attention, reporting to this office in due course with a view to the classification of the vessel.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

NEWCASTLE-ON-TYNE.
