Dear Sir,

S.S. "TOZA RICA".

With reference to your letter of the 29th November, I shall be glad if you will inform the Owners that the proposal to carry out the Special Survey at the end of December/beginning January is in order.

Should, however, this survey not take place as stated, a satisfactory General Examination (circular No.1959) will require to be carried out in drydock before any further postponement may be approved.

You will observe that the Donkey Boiler Survey on this ship became due in September last and I shall be glad to learn what arrangements are proposed to carry out this survey.

The Load Line Certificate will expire on the 30th June, 1958.

Yours faithfully,

Clerk to the
Classification Committee.

The Secretary,
NEW YORK.
