Dear Sir,

Motorships "REDWOOD", "REDFERN" and  
"REDRIVER"

I acknowledge receipt of your letter of the 14th December, the contents of which have been noted.

Provided it is confirmed that the heavier deck doubler of 25 sq. ins. cross sectional area has been fitted then the ships will be suitable for Bay of Bengal Coasting Service at a summer moulded draught of 13' 0" measured above top of keel. Your further comments in this respect are now awaited.

The copies of Freeboard Reports referred to in the final paragraph of your letter are being sent under separate cover.

Yours faithfully,

Clerk to the  
Classification Committee.

The Secretary,  
NEW YORK
