Dear Mr. Griffith,

I am afraid I must worry you once again in the case of the "MARI II" and hope that it will be possible for you to make an effort so as to ensure we get the reports within the next few days.

You are no doubt aware that I passed your previous letter on to Mr. Barwick for attention and sincerely hope that things are now a little easier for you.

Yours sincerely,

A.T. Griffith Esq.,
PLYMOUTH.
