Dear Sirs,

MENTOR ex MARI II
s.s. "Astra" ex "Uranus"

We act as U.K. Agents for this vessel and have been informed by her Owners that they are in the process of transferring her class to another society. In order that this may be dealt with they require copies of the last Boiler surveys carried out on this vessel and we should be grateful if you could arrange to let us have the appropriate copies. We gather that this is a matter of considerable urgency and we should, therefore, be grateful if you could deal with this request at your earliest convenience.

Yours faithfully,

For and on behalf of
JAKOBSON SHIPPING Co. LTD.

lessor Jakobson have phoned
saying that the wrong name was
mentioned in this letter & that
the vessel in which they are
interested is in fact the "Mentor"
ex "Uranus"

Has a Survey also been held on the Machinery of the Ship?

If so, is the Report sent now, or when will it be sent?
