Dear Sirs,

m.v. "TONG WEE"

I am in receipt of your letter of the 20th instant enclosing a copy of the plan of profile and decks prepared by Messrs. Ritchie & Bisset, Owners consultants, embodying modifications required by the Bureau Veritas.

The question of deck doubling plate has again been considered but we are unable to depart from our previous requirements and I have, therefore, wired you today as follows:-

"TONG WEE BV PROPOSALS FOR DECK DOUBLING CANNOT BE ACCEPTED".

The plan forwarded by you is being returned by second class Airmail as desired and I shall be glad to be advised of the Owners decision in regard to the question of classification.

Yours faithfully,

pro Secretary. M

The Surveyors,
SINGAPORE.
