## "HEIKA"

Dear Sir,

The Owners of the above vessel have now decided to put this vessel into Norske Veritas class in conformity with the remainder of their fleet. The requirements of an annual survey were almost completed before this step was taken, and the report will be forwarded in due course. We are continuing, however, to act on behalf of the Underwriters in this case.

We are, dear Sir,

Yours faithfully,  
For The Surveyors
