Dear Sirs,

Motorship "GLORY"

With reference to my memorandum of the 9th instant, the Djakarta Surveyor has cabled that the Owners' Representative has requested a further extension of the Load Line certificate to the end of February next in order to complete the present charter.

I enclose a copy of letter that has been addressed to the Djakarta Surveyor today and shall be obliged if you will kindly impress upon the Owners that in the circumstances no further postponement beyond the end of February can be contemplated by the Committee; and that if this requirement is not fulfilled there would seem to be no alternative but for the class to be withdrawn.

Yours faithfully,

c.c. Freeboard

Clerk to the
Classification Committee.

The Surveyors,
SINGAPORE.
