7th May, 1931.

Dear Mr. Leeuwenburg,

I duly received your letter of the 29th ultimo respecting the inquiry I made regarding the plan of midship section as built of the Motorvessel "ALDEGONDA", and have brought your remarks to the notice of the department which examines the reports, and in the circumstances the full classification certificate with half midship section has been prepared in accordance with the copy of the plan we have here as passed in your Office by Mr. Lodder.

In these circumstances I shall be glad if you will return the half certificate, which has already been issued, for cancellation when the one now sent is handed over to the <sup>Builder's</sup> Owners.

Thanking you for your attention and  
with kind regards,

Yours sincerely,

R. Leeuwenburg, Esq.,

ROTTERDAM.
